

## **Cycle to work Scheme - Save money, get fit and reduce your carbon footprint**

The Cycle to Work scheme encourages alternative travel and reduces our environmental impact. Not only does it reduce your carbon footprint, but also allows you to spread the cost of getting a new bike, save on Income Tax and National Insurance and increase your fitness.

Through the scheme you can:

- Spend at least £100 up to a maximum of £3000 on a new bike and/or safety equipment (i.e. lights, replacement parts etc)
- Spread the cost over a year and save on your Income Tax and National Insurance contributions
- Choose from a wide range of partner stores across the UK and online.
- Get access to a range of additional benefits and discounts through your exclusive MyCyclescheme account.

To check your savings, find a store and request your certificate please visit [Cyclescheme](#) and click on 'Start Application.'

You can find full details of the scheme, and some Frequently Asked Questions on the policies page on the website.
